The NGPA is a government print and information solutions community whose membership is drawn from local, state, and federal government, academic administration, and international and corporate entities. Our members enjoy year-round interaction via listserv, webinars, monthly board teleconferenced meetings, regional membership drives, and networking through the annual NGPA conference.

The NGPA promotes sponsors to their membership and beyond, and we partner with you throughout the year for added networking with this buying audience.

You have two ways to support the NGPA and become an intricate part of this active publishing community:

- Corporate membership - \$750
- Annual Corporate Sponsorship

Two levels of annual corporate sponsorship include complimentary one year corporate membership.

Thank you to our 2009 Conference Sponsors:
